A MESSAGE FROM THE PVRC PRES, RICH BOYD, KE3Q

Congratulations, PVRcers, on being part of the resurgence in PVRC activity. N4AF and crew in NC on the south end and K3TZV and crew in Pennsylvania on the north are to be congratulated for heading up activity in their areas. W4ZYT and gang in Tidewater and W4MYA and team in Central Virginia have things well in hand too. W4NF and W4CE continue to corral the contesters south of Washington and K3MM and 10-20 others have been meeting once a month in Frederick, Maryland. Our activity is definitely up. If we keep moving in this direction we will be competitive with the other top clubs every time.

We will be getting the sub-rosters out to the regional chairmen and need to really encourage activity for this fall's contests. Everything is in

place and now's the time. Let's all try to get on for all the big club competition contests and make some QSOs. 73 - Rich, KE3Q

MINUTES OF THE PVRC CENTRAL MEETING AT VIENNA, APRIL 14, 1997 by Brian McGinness, N3OC, Secretary

The meeting was called to order at 7:45PM by club president Rich, KE3Q. Members and guests were introduced. Guests this evening were Gouzalo Gomez, LU3BGG and Bob Lipp, K4MJO. Members attending were: K3IXD, N3OC, W4VC, WR3Z, W3DQ, AA4KD, WK3I, W3HVQ, K3OSX, K4VV, K4IQ, K3RV, K3ZB, WB3ECU, WF3J, W3YOZ, W3GNQ, W3EMH, N3RR, K3ZJ, N4MO, KC4B, KD4BK, K7CMZ, and N3HBX.

N3RR announced that the K-Com filters he had ordered for some of the members are now in, and you can contact him to pick up and pay for your filters.

Since we were way behind in war stories, most everyone was given an opportunity to tell what they had been doing in contesting over the last few months. K4VV invited everyone over to his station for a tour after the meeting, and several went. WR3Z hasn't moved yet but will be soon. W3HVQ homebrewed an amp, and after several explosions got it working fine. WD3Q got a new call and is now W3DQ, QTH DC. WF3J is negotiating with some Ukranian friends to obtain amplifier tubes, and may start building amps later on if things go well. There were others, but I didn't take good notes!

THE BWI REGIONAL/PVRC MEETING, 9 APRIL 1997 by Howard B. Leake, W6AXX

Since the first of the new year a group of PVRcers have been meeting each Wednesday morning around 07:15 to 07:30 for coffee (some have lite breakfast) at Basil's Deli Port on Elkridge Landing Road approximately 1/4 mile south of the intersection of the Winterson Road.
Telephone: 410-850-4333

Today, Ed, K3IXD (Fresh from his Sanibel Island, FL. Holiday of picking up seashells), suggested that we make each Wednesday an Official PVRC meeting and name it "The BWI Regional/PVRC." The response was a unanimous YES and almost as fast, it was decided to make Ike, W2EOS the Director.

The following, bright eyed bushy tailed hams were in attendance: WA0QII, W3GHR, K3IXD, K3GEG, ND3F, W2EOS, and W6AXX. The early morning conversations included: Internet, Vanity Calls, Contesting, Sailboats, Towers for sale, restoration and erection, and numerous other things that pop into ones mind at this early hour.

All are welcome as we can always push more tables together. Email comments and suggestions are always appreciated.

TIDEWATER COLONY OF PVRC, 15 APRIL 1996 by Don Lynch, W4ZYT

The quarterly meeting of the Tidewater Colony of the PVRC was held in conjunction with the April meeting of the Virginia DXCC on 15 April at the China Palace Restaurant (Newtown Rd & Kempsville Rd). Dinner began at

1830 followed by a brief business meeting of the VaDXCC. The PVRC meeting was called to order at 1935. In attendance: W4ZYT, W4PRO, W4SD (ex-N4AIG), WD4GOY, W4DHZ, K4IX, K4UX (ex-KG4O), KO4SR, WA4OAE, W0CN (ex-WD0CNQ), W8RJL, W4IF, KT4IC, and 23 guests. New applications were accepted from two hams who will be voted in when they attend their second meeting. It was announced that the W3LPL open house would be 21 June - we're exploring the possibility of a road trip up for at least some of us. Those who submitted contest scores to be credited to PVRC were acknowledged. K4JDJ, who is helping W4FRU with the VK0IR QSLs announced that the cards would be forthcoming very shortly. Both clubs then enjoyed the program: The VK0IR video. The meeting was adjourned at 2102. Several other enquiries regarding membership were received and applications issued. Contesting is comfortably, if not rabidly, alive and well in the Tidewater area. Best DX, good scores, and Vy 73, Don W4ZYT

PVRC/NC RALEIGH AREA.

As of the April meeting, the membership was: Will Roberts AA4NC, Jeff Wittich AC4ZO, Warren Lewis AD4ZE, Guy Olinger K2AV, Brian Alsop K3KO, Bob Lukaszewski K4HA, Jim Stevens K4MA, Pete Soper KS4XG, Jim Price N3QYE, Howie Hoyt N4AF, Bert Michaud N4CW, Henry Pollock WB4HFL, and Jay Brookover WB8BMV.

NW REGIONAL MEETINGS.

PVRC WEB STORY by Steve Affens, K3SA, PVRC Webmaster,
[\[email protected\]](#)

Nothing can compete with the magic and allure of contacting someone "live" on the other side of the world via wireless CW on the low end of 40 meters! There are those of us, (yes those aging contesters and DXer's) who can remember the day when we, the radio amateurs, where the ONLY way a live contact with a VK (Australia) could take place. "HF" ionospheric communication was the only game in town. Pity the youngsters today, brought up on watching live satellite video/sound reports on the news, and email coming in from the Internet free of static crashes and QSB. They simply missed out on the romance of spinning the radio dial through the jungle of signals across the bands.

So here we are, young and old, like it or not, with a new arena for global communications: the Internet. The Net has a magic all its own. It is no surprise that we, the amateur radio community, would be one to quickly embrace the new technology. Clicking a computer mouse to request a file from the other side of the world via the Internet, has its metaphor in a key, a transmitter, an antenna, and our Internet, the beloved ionosphere.

Now, connected to the Internet, computers or servers are popping up all

over the world, at an enormous rate, hosting a marvelous tapestry of files full of text, graphics, pictures, audio, and video. In April 1995, the Potomac Valley Radio Club was one of the first radio clubs (or anyone for that matter) to publish information on the electronic global village called the World Wide Web. I (K3SA) along with the help of other PVRC members and, in particular, Frank Donovan, W3LPL, stayed on top of the latest new webs as they appeared and made links to them from our page. With the help of PVRC historian at the time, W3GN, Larry Fadner, we were able to make the site much more than a giant bookmark of radio Web sites. The site is rich with the core historic documents that tell the PVRC story. Pete Smith, N4ZR helped pioneer electronic publication of the PVRC Newsletter by emailing me the files for preparation and uploading to our web. Now, Dick Wilder, K3DI, who does a meritorious job publishing our (paper) Newsletter, now reaches a world wide audience with his work via the Web. He emails the latest Newsletter to me, and I have it linked on our Web site within minutes.

This month, April 1997, we reached another milestone. Server names or Domain Names are like call signs; once assigned, they are gone...and so we registered our name as pvrc.org. Our global address (Uniform Resource Locator or URL) changed from its original <http://www.access.digex.net/~k3sa/pvrc.html> to <http://www.pvrc.org>. Anyone, anywhere in the world who is connected to the Internet, can find us this way.

Thanks to all who have sent in new URL's or have found links that have changed or faded away into cyberspace. With everyone working together, we can keep our site alive and a valuable resource to those interested in the PVRC, Amateur Radio, Contesting, and searching the Web.

THE P V R C EXCHANGE by Ed Steeble, K3IXD [\[email protected\]](#)

For four years I have been taking orders for PVRC hats, shirts, sweatshirts, and coffee mugs; N3NT (ex-AA3HM) has been handling the orders for PVRC QSL cards; and N3OC (ex-WA3WJD) has been handling the PVRC name badges. The support has been excellent. It is great to see pictures in the magazines of club members wearing the PVRC badge and shirts. Now the PVRC members are easier to spot at hamfests. And the contesters around the world should now be immediately recognizing PVRC QSLs cards.

Because a minimum number of hats, shirts, sweatshirts, coffee mugs and QSL cards must be ordered at one time in order to avoid a surcharge, N3NT and I usually place orders only once a year. Please watch this column, the PVDXSN packet cluster, PVRC home page, and the PVRC email reflector for announcements regarding ordering. Or if you send me a message or SASE I will let you know when we are accepting orders again.

But the PVRC name badges can be ordered at any time from N3OC. To order a badge provide your call sign, your name as it is to appear on the badge, and \$5 (or \$7 if you want it mailed to you instead of picking it up at a club meeting). Mail a check (payable to Brian McGinness) to N3OC, Brian McGinness, 4618 DeRussey Pkwy, Chevy Chase, MD 20815.

N3NT, Craig, usually begins taking QSL card orders in July or August with delivery in October. With the Sun spot numbers slowly improving, insure

you have enough to make it through another year. These are multi-color cards printed on quality paper stock, not "buro cards". They are competitively priced. If you are going on an DXpedition, contact N3NT and see what modifications can be made to the PVRC card to list your DX call(s). Several did that last year.

PVRC logo mugs: The minimum number for an order is 72, and in increments of 12 after that. With the numerous vanity call sign changes, we may do another order in a year; but we had trouble selling all 72 last time. These do have your call sign on them, and are micro wave, dishwasher safe. Anyone want to take over handling the mug orders and distribution?

PVRC T-shirts, golf shirts, hats, sweat shirts: I just completed the order for these. This time I was able to get T-shirts and golf shirts with a pocket. That proved to be so popular that I probably won't offer the plain shirts any more unless I hear otherwise. I do plan on taking orders again next January or February with delivery in time for Dayton.

I can investigate getting other items; however, remember there is a one time set up charge and a minimum quantity per order. The item(s) must be of interest to many of the club members. Send me your ideas.

In summary, the club gets a discount by buying in "quantity", if you consider a minimum of 6 golf shirts, 18 shirts, or 20,000 QSL cards per order a "quantity". We can't afford to stock items, nor can we or you afford a one-unit, one-time order. Therefore we must take orders periodically (usually once a year). The club makes a dollar or two on each item sold. These profits help fund the club. Besides making the presence of PVRC known through our QSL cards and increasing PVRC visibility at hamfests by wearing the hat, shirt, and/or name badge, lets make the experiment of not collecting dues continue to work. Of course our treasurer, N3KTV, is still accepting contributions.

If you work a station that claims to be a member, but is not on the check sheet, please send that log information with your score. Clearly indicate if any such questionable contacts are included in your score.

RESULTS OF THE 1996 PVRC REUNION ON-THE-AIR

The results of the PVRC Reunion-on-the-air held 3-5 June 1996 were published in the August 1996 issue but are repeated here for those who only receive one issue per year.

An interesting glitch popped up last year; how to count contacts with N6ZO/MM. It was judged that a MM station is valid for QSO points but not valid as a multiplier because MM is not a state, DC, Province, or DXCC country. Scores were carefully adjusted to exclude the /MM station among the top five.
